

How to Create a Test with CASE Item Bank

Powered by MasteryConnect

Getting started:

- Prior to getting started you should have received an activation email from MasteryConnect. This will allow you to set your grade, subject and private password. If you did not receive this email, please contact your district technology department to make sure that your name was submitted to MasteryConnect. You can also refer to our “Adding Teachers to CASE Item Bank and Reset Passwords” document located on the TE21 website.
- Google Chrome is the preferred browser, Firefox is the second option.
- Type www.masteryconnect.com into the address bar.

The screenshot displays the MasteryConnect web application interface. At the top, a green navigation bar contains the following menu items: Admin, Trackers, Assessments, Pins, and Community. On the right side of this bar, the user's name 'Emily' is visible with a dropdown arrow. Below the navigation bar, a secondary bar includes 'News Feed', 'Inbox', 'New Stuff' (with a notification icon), and 'Help'. The main content area is divided into several sections:

- User Profile (Left):** Features a profile picture of a woman, an 'Edit Profile' link, and an 'Info' section. The info section lists the user's role (Teacher, Principal, Administrator, Technology Specialist, Media Specialist, Special Education, Title I, Counselor, Student Teacher, Other, Instructional Facilitators, Instructional Coaches), grade (K-12th), school (TE21 PD School), district (TE21 PD CASE & SCORE21 District), and state (South Carolina). Below the profile is a 'Following (19)' section with a grid of small profile pictures.
- Share an Update (Top Center):** A text input field for sharing updates.
- News Feed (Center):** Displays two recent updates from 'Miss Jenna Lagerman'. The first update states she added 'Item Authoring Unit 1' to a practice, deleting a classroom and one other assessment. The item details are: CLASS: 6th Grade, SUBJECT: Math, STANDARD: 6.RP.A.1, 6.NS.A.1. The second update states she created a 6th Grade Math tracker from a curriculum map titled 'Keep Me- 6th Grade'. The item details are: CLASS: 6th Grade, SUBJECT: Math, Algebra 1. Both updates include a 'COMMENT' link and a timestamp of 'about 8 hours ago'.
- My Trackers (Right):** Lists 'Keep Me-Duplantis' and 'Benchmark' with a 'View All...' link.
- My Assessments (Right):** Lists 'Demo Test Bank', 'Whatever you want', and 'Test Bank Demo' with a 'View All...' link.
- Invite Fellow Teachers (Right):** Includes the text 'Invite other teachers to join the MasteryConnect community!' and an 'Invite Teachers' button.
- Featured Teachers (Right):** Lists 'Mrs. Amy Hook' (Apollo Elementary School, 34 Uploads) and 'Mrs. Stacy Hoy' (Willetts Middle School), each with a '+ Follow' button.

Locating and Printing Your Assessment

- Under the Assessment Button in the Green Toolbar, Locate the Created Button in the Gray Toolbar
- You will see your test listed

The screenshot shows the 'Assessments' section of a software interface. At the top, there are navigation tabs: Admin, Trackers, Assessments (selected), Pins, and Community. Below the tabs, there are filters for 'All', 'Using (9)', 'Created (14)', 'Bookmarked (5)', and 'Updates'. A search bar and a '+ Add Assessment' button are also visible. The main content area displays a list of tests. The first test, 'Demo Test Bank', is highlighted. It includes details such as 'CLASS: 6th Grade', 'SUBJECT: Math', 'CORE: CCSS-Traditional, CCSS-Integrated', 'STANDARD: 6.RP.A.1', and 'CREATED BY: Ms. Emily Duplantis'. There are also options to 'ADD TO TRACKER', rate the test, and perform actions like 'Mastery Levels', 'Views', 'Bookmark', 'Edit', and 'Delete'.

- Click on the Test Name to view your test
- You can also print your test from this view.

The screenshot shows the 'Demo Test Bank' assessment view. At the top, there is a 'Print' button and a toolbar with icons for printing, editing, and deleting. The main content area displays a math question: 'What is the ratio of chocolate rabbits to birthday cakes?'. Below the question are five icons representing a rabbit, a birthday cake, a rabbit, a birthday cake, and a rabbit. Below the icons are four radio button options: 2:3, 3:2, 1:1, and 3:1. On the right side, there is a list of questions with their titles, standards, and types.
