

## enCASE Reports Overview

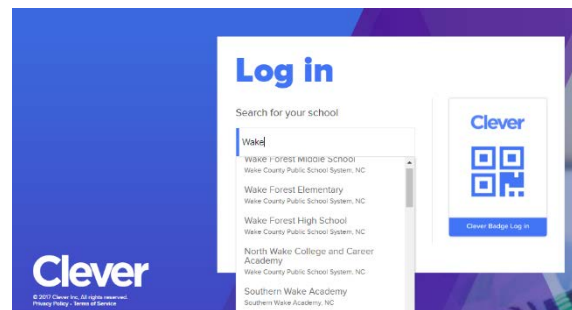

Step One: <https://encase.te21.com>

Step Two: Log In (there are two log in options)

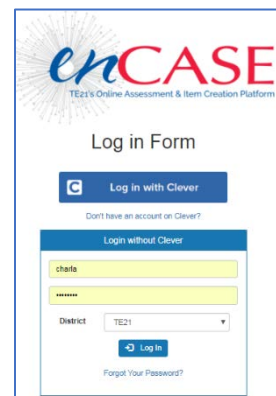

### Option 1: Clever Supported Login

- Click Log in with Clever
- Begin typing your school name and choose your school from the list of available schools
- Choose “log in with active directory”
- Enter your credentials and click “log in”

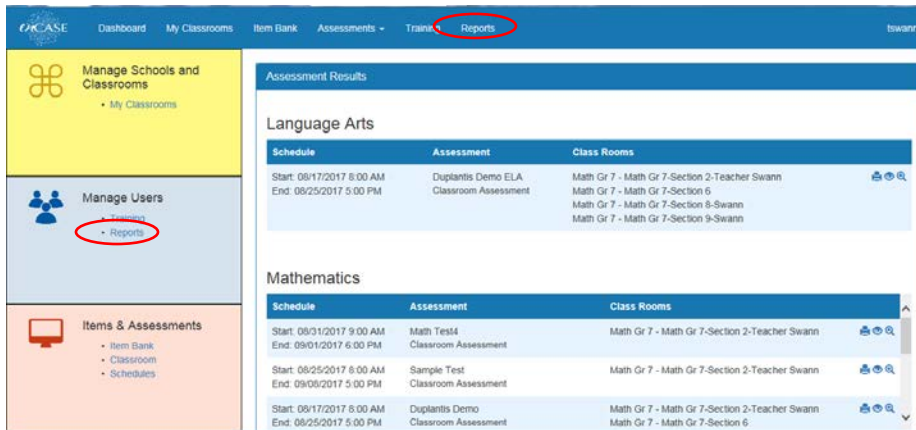

### Option 2: Non-Clever Login

- Click “Don’t have an account on Clever”
- Enter your credentials
- Choose your district
- Click Login

## Step Three: Accessing Your Reports

- You have two navigation options: you can either choose the Reports link under **Manage Users** on the left side of the page or you can choose the Reports link in the **toolbar** running across the top of the page.

## Step Four: Finding Your Report

- You have two search options for locating your assessment results:
  - You can search by Assessment or by Classroom/Teacher (this option is preferred)

- In the illustration below you will see the search classroom/Teacher option

- For your filters:
  - District* is required
  - School* should be defaulted to your school, if it is not, please adjust accordingly

- Then you can search by teacher or by class room. In the illustration below we searched by classroom.

- If your test schedule has expired, make sure to place a checkmark in the expired schedules checkbox.

- Then click the blue **SEARCH** button
- Immediately below the filter menu, you will see a list of your reports
